ANNOUNCEMENTS:

December 14th-20th

PERFORMANCE WEEK!

New Procedures

To maintain state-ordained social distancing and health safety rules, we have to make a few changes.

- 1) *The lobby is closed for viewing.* No parents or siblings are allowed to stay there and wait/watch.
- 2) *The bathroom is closed for use.* Dance Dayz does not have the staff capacity to have staff cleaning the restroom as often as the current health orders state that it needs to be. PLEASE have your child go before class.
- 3) New Check-In/Out procedure (one at a time)
- 4) Verbal "Wellness Check" at the door upon arrival each day. See "COVID UPDATES" on the main page for more details.
